

INVERSION

textual
example:

"I know ^{that} though ~~that~~ God's justice is beheld within
some other mirror in these spheres, your kingdom apprehends
its light unveiled." (XIX. 28-30).

"Now who are you to sit in judgement's seat and pass on things
a thousand miles away, when you can hardly see beyond
your nose" (XIX. 79-81).

WHY?

to help us understand that we CANNOT
understand. So we don't try to rise to
higher power.
